

CARE Group Agreement

Being part of a CARE group offers the right environment to belong, grow, and serve with your church family. Below are the shared values, expectations, and purpose for each group member. Review the agreement prior to starting a new study.

We agree to the following values:

- Community:** We will prioritize building relationships and helping one another grow spiritually.
- Authenticity:** We will promote openness and honesty within the group.
- Confidentiality:** We will keep things shared by others within the group and refrain from gossip or condemning others.
- Respect:** We will help create a safe place where members are heard and loved. We can disagree but will not be argumentative.
- Availability:** We will make group attendance a priority.
- Involvement:** We will seek to use our gifts, talents and resources within the group.
- Multiplication:** We will work toward the goal of starting new CARE Group within 18-24 months.

We agree to the following logistics:
